(b) None of the obligors on any Receivable is a Governmental Authority.

(c) The amounts represented by the Grantors to the Lenders from time to time as owing to any of the Grantors in respect of the Receivables will at such time be accurate except for immaterial discrepancies.

5.5 Covenants. (a) Other than in the ordinary course of business consistent with the standard of care that a prudent business person would exercise with respect to similar assets, the Grantors will not (i) grant any extension of the time of payment of any Receivable, (ii) compromise or settle any Receivable for less than the full amount thereof, (iii) release, wholly or partially, any Person liable for the payment of any Receivable, (iv) allow any credit or discount whatsoever on any Receivable, (v) amend, supplement or modify any Receivable in any manner that could adversely affect the value thereof or (vi) fail to exercise promptly and diligently each and every material right which it may have under each agreement giving rise to a Receivable (other than any right of termination) consistent with the standard of care that a prudent business person would exercise with respect to similar assets.

Anything herein to the contrary notwithstanding, each of the Grantors shall remain liable under each of the Contracts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with and pursuant to the terms and provisions of such Contract. Neither the Administrative Agent nor any Lender shall have any obligation or liability under any Contract by reason of or arising out of this Agreement or the receipt by the Administrative Agent or any such Lender of any payment relating to such Contract pursuant hereto, nor shall the Administrative

Agent or any Lender be obligated in any manner to perform any of the obligations of any of the Grantors under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

6.2 Communication With Contracting Parties. 6.3 Representations and Warranties. (a) No consent of any party (other than any of the Grantors) to any Contract is required, or purports to be required, in connection with the execution, delivery and performance of this Agreement.

(b) Each Contract is in full force and effect and constitutes a valid and legally enforceable obligation of the parties thereto, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and an implied covenant of good faith and fair dealing.

(c) No consent or authorization of, filing with or other act by or in respect of any Governmental Authority is required in connection with the execution, delivery, performance, validity or enforceability of any of the Contracts by any party thereto other than those which have been duly obtained, made or performed, are in full force and effect and do not subject the scope of any such Contract to any material adverse limitation, either specific or general in nature.

(d) Neither the Grantor nor (to the best of the Grantor's knowledge) any of the other parties to the Contracts is in default or is likely to become in default in the performance or observance of any of the terms thereof in any manner that, in the aggregate, could reasonably be expected to have a Material Adverse Effect.

(e) Each of the Grantors has fully performed all its obligations under each Contract.

(f) The right, title and interest of the Grantors in, to and under the Contracts are not subject to any defenses, offsets, counterclaims or claims that, in the aggregate, could reasonably be expected to have a Material Adverse Effect.

(g) The Grantors have delivered to the Administrative Agent a complete and correct copy of each Contract, including all amendments, supplements and other modifications thereto.

(b) The Grantors will not do any act, or omit to do any act, whereby any material Patent may become abandoned or dedicated.

(c) The Grantors will notify the Administrative Agent and the Lenders immediately if it knows, or has reason to know, that any application or registration relating to any material Patent or Trademark may become abandoned or dedicated, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court or tribunal in any country) regarding such Grantor's ownership of any material Patent or Trademark or its right to register the same or to keep and maintain the same.

(d) Whenever any of the Grantors, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of any Patent or Trademark with the United States Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, such Grantor shall report such filing to the Administrative Agent and the Lenders within five Business Days after the last day of the fiscal quarter in which such filing occurs. Upon request of the Administrative Agent, such Grantor shall execute and deliver any and all agreements, instruments, documents, and papers as the Administrative Agent may request to evidence the Administrative Agent's and the Lenders' security interest in any Patent or Trademark and the goodwill and general intangibles of such Grantor relating thereto or represented thereby.

(e) Each Grantor will take all reasonable and necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of the material Patents and Trademarks, including, without limitation, filing of applications for renewal, affidavits of use and affidavits of incontestability.

(f) In the event that any Patent or Trademark included in the Collateral is infringed, misappropriated or diluted by a third party, such Grantor shall (i) take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Patent or Trademark and (ii) if such Patent or Trademark is of material economic value, promptly notify the Administrative Agent and the Lenders after it learns thereof and sue for infringement, misappropriation or dilution, to seek injunctive relief where appropriate and to recover any and all damages for such infringement, misappropriation or dilution.

8. [RESERVED]

9. Remedies.

9.1 Notice to Obligors and Contract Parties. Upon the request of the Administrative Agent at any time after the occurrence and during the continuance of an Event of Default, the Grantors shall notify obligors on the Receivables and parties to the Contracts that the Receivables and the Contracts have been assigned to the Administrative Agent for the ratable benefit of the Lenders and that payments in respect thereof shall be made directly to the Administrative Agent.

9.2 Proceeds to be Turned Over To Administrative Agent. In addition to the rights of the Administrative Agent and the Lenders specified in subsection 5.3 with respect to payments of Receivables, if an Event of Default shall occur and be continuing, all Proceeds received by the applicable Grantor consisting of cash, checks and other near-cash items shall be held by such Grantor in trust for the Administrative Agent and the Lenders, segregated from other funds of such Grantor, and shall, if requested by the Administrative Agent, forthwith upon receipt by such Grantor, be turned over to the Administrative Agent in the exact form received by such Grantor (duly indorsed by such Grantor to the Administrative Agent, if required) and held by the Administrative Agent in a Collateral Account maintained under the sole dominion and control of the Administrative Agent. All Proceeds while held by the Administrative Agent in a Collateral Account (or by the Grantor in trust for the Administrative Agent and the Lenders) shall continue to be held as collateral security for all the Secured Obligations and shall not constitute payment thereof until applied as provided in subsection 9.3.

9.3 Application of Proceeds. If an Event of Default shall have occurred and be continuing, at any time at the Administrative Agent's election, the Administrative Agent may apply all or any part of Proceeds held in any Collateral Account in payment of the Secured Obligations in such order as the Administrative Agent may elect, and any part of such funds which the Administrative Agent elects not so to apply and deems not required as collateral security for the Secured Obligations shall be paid over from time to time by the Administrative Agent to the Grantors or to whomsoever may be lawfully entitled to receive the same. Any balance of such Proceeds remaining after the Secured Obligations shall have been paid in full, all Letters of Credit shall have expired and the Commitments shall have expired or otherwise been terminated shall be paid over to the Grantors or to whomsoever may be lawfully entitled to receive the same.

9.4 Code Remedies. If an Event of Default shall occur and be continuing, the Administrative Agent, on behalf of the Lenders may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the Code. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon the Grantors or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Administrative Agent or any Lender or elsewhere upon such terms and

conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Administrative Agent or any Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any of the Grantors, which right or equity is hereby waived or released. Each of the Grantors further agrees, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this subsection, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Administrative Agent and the Lenders hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Secured Obligations, in such order as the Administrative Agent may elect, and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including, without limitation, Section 9-504(1)(c) of the Code, need the Administrative Agent account for the surplus, if any, to such Grantor. To the extent permitted by applicable law, each of the Grantors waives all claims, damages and demands it may acquire against the Administrative Agent or any Lender arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition.

9.5 Waiver: Deficiency. Each of the Grantors waives and agrees not to assert any rights or privileges which it may acquire under Section 9-112 of the Code. The Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay the Secured Obligations and the fees and disbursements of any attorneys employed by the Administrative Agent or any Lender to collect such deficiency.

10. Administrative Agent's Appointment as Attorney-in-Fact; Administrative Agent's Performance of Grantor's Obligations.

10.1 Powers. Each of the Grantors hereby irrevocably constitutes and appoints the Administrative Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of each of the Grantors and in the name of each of the Grantors or in its own name, from time to time in the Administrative Agent's discretion, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each of the Grantors hereby gives the Administrative Agent the power and right, on behalf of itself, without notice to or assent by it, to do any or all of the following:

(a) in the name of the Grantors or its own name, or otherwise, take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Receivable or Contract or with respect to any other

Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Administrative Agent for the purpose of collecting any and all such moneys due under any Receivable or Contract or with respect to any other Collateral whenever payable;

(b) in the case of any Patent or Trademark, execute and deliver any and all agreements, instruments, documents, and papers as the Administrative Agent may request to evidence the Administrative Agent's and the Lenders' security interest in such Patent or Trademark and the goodwill and general intangibles of the Grantors relating thereto or represented thereby;

(c) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and to pay all or any part of the premiums therefor and the costs thereof;

(d) execute, in connection with the sale provided for in subsection 9.4 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(e) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct; ask or demand for, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any thereof and to enforce any other right in respect of any Collateral; defend any suit, action or proceeding brought against any Grantor with respect to any Collateral; settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, to give such discharges or releases as the Administrative Agent may deem appropriate; assign any Patent or Trademark (along with the goodwill of the business to which any such Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Administrative Agent shall in its sole discretion determine; and generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and do, at the Administrative Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Administrative Agent deems necessary to protect, preserve or realize upon the Collateral and the Administrative Agent's and the Lenders' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this subsection to the contrary notwithstanding, the Administrative Agent agrees that it will not exercise any rights under the power of attorney provided for in this subsection unless an Event of Default shall have occurred and be continuing.

10.2 Performance by Administrative Agent of Grantors' Obligations. If any of the Grantors fails to perform or comply with any of its agreements contained herein, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

10.3 Grantors' Reimbursement Obligation. The expenses of the Administrative Agent incurred in connection with actions undertaken as provided in this Section, together with interest thereon at a rate per annum equal to the rate per annum at which interest would then be payable on past due ABR Loans under the Credit Agreement, from the date of payment by the Administrative Agent to the date reimbursed by the Grantors, shall be payable by the Grantors to the Administrative Agent on demand.

10.4 Ratification; Power Coupled With An Interest. The Grantors hereby ratify all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

11. Duty of Administrative Agent. The Administrative Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the Code or otherwise, shall be to deal with it in the same manner as the Administrative Agent deals with similar property for its own account. Neither the Administrative Agent, any Lender nor any of their respective officers, directors, employees, trustees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any of the Grantors or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Administrative Agent and the Lenders hereunder are solely to protect the Administrative Agent's and the Lenders' interests in the Collateral and shall not impose any duty upon the Administrative Agent or any Lender to exercise any such powers. The Administrative Agent and the Lenders shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any of the Grantors for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

12. Execution of Financing Statements. Pursuant to Section 9-402 of the Code, the Grantors authorize the Administrative Agent to file financing statements with respect to the Collateral without the signature of the Grantors in such form and in such filing offices as the Administrative Agent reasonably determines appropriate to perfect the security interests of the Administrative Agent under this Agreement. A carbon, photographic or other reproduction of this Agreement shall be sufficient as a financing statement for filing in any jurisdiction.

13. Authority of Administrative Agent. Each of the Grantors acknowledges that the rights and responsibilities of the Administrative Agent under this Agreement with respect to any action

taken by the Administrative Agent or the exercise or non-exercise by the Administrative Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Administrative Agent and the Lenders, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Administrative Agent and the Grantors, the Administrative Agent shall be conclusively presumed to be acting as agent for the Lenders with full and valid authority so to act or refrain from acting, and the Grantors shall be under no obligation, or entitlement, to make any inquiry respecting such authority.

14. Notices. All notices, requests and demands to or upon the Administrative Agent or the Grantors to be effective shall be in writing (including by facsimile transmission) and shall be deemed to have been duly given or made in the case of delivery by hand, when delivered, in the case of delivery by mail, three days after being deposited in the mails, postage prepaid, or in the case of delivery by facsimile transmission, when sent and receipt has been confirmed, in each case addressed as follows or to such other address as may be hereafter notified by the respective parties hereto:

(a) if to the Administrative Agent, at its address or transmission number for notices specified in subsection 11.2 of the Credit Agreement; and

(b) if to any of the Grantors, at its address or transmission number for notices set forth under its signature below.

15. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

16. Amendments in Writing; No Waiver; Cumulative Remedies.

16.1 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by each of the Grantors and the Administrative Agent, *provided* that any provision of this Agreement imposing obligations on any of the Grantors may be waived by the Administrative Agent in a written instrument executed by the Administrative Agent.

16.2 No Waiver by Course of Conduct. Neither the Administrative Agent nor any Lender shall by any act (except by a written instrument pursuant to subsection 16.1 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of the Administrative Agent or any Lender, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Administrative Agent or any Lender of any right or

remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Administrative Agent or such Lender would otherwise have on any future occasion.

16.3 Remedies Cumulative. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

17. Section Headings. The Section and subsection headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

18. Successors and Assigns. This Agreement shall be binding upon the successors and assigns of the Grantors and shall inure to the benefit of the Administrative Agent and the Lenders and their successors and assigns.

19. Release of Collateral. Upon (i) termination of the Commitments and the repayment and satisfaction of all Obligations hereunder of the Borrower, or (ii) any sale, lease, transfer or other disposition of any portion of the Collateral in accordance with the terms of the Credit Agreement, and so long as no Event of Default shall have occurred and be continuing, the security interest in such Collateral granted hereby shall automatically terminate, and all rights to such Collateral shall revert to the appropriate Grantor. Upon any such termination, the Administrative Agent will, promptly upon receipt of any written request by the Grantor, execute and deliver to any Grantor such releases, termination statements, documents and other instruments prepared by such Grantor as such Grantor reasonably requests to evidence such termination.

20. Governing Law. This Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

IN WITNESS WHEREOF, each of the undersigned has caused this Security Agreement to be duly executed and delivered as of the date first above written.
